Flute Days!

Joss Campbell

Joss Campbell was inspired to take up the flute at the age of five after hearing it played at her school speech day. Her father, a music teacher, brought her one home to try and she was hooked!

At the age of thirteen she made her solo London debut with The London Symphony Orchestra playing Mozart's G Major Flute Concerto and later gained a scholarship to study at The Royal College of Music followed by further studies at The Guildhall School of Music and Drama. Her flute playing has taken her all over the world as a soloist, an orchestral and chamber musician, a pit player in the West End and as an educator.

Joss is based in London where her teaching is in great demand. Her pupils regularly achieve success, gaining music scholarships to study at some of London's most prestigious schools and winning prizes in various competitions, the most recent

being 1st places in both Brent Music Service's Junior and Senior Young Musician of the Year competitions. She runs several flute choirs in and around London (including Brent Flute Choir, which she runs with fellow *Flute Days!* coach Mel Orriss), and has been asked to guest conduct at various others around the country.

Joss runs two annual residential courses for adults at Benslow Music Trust in Hitchin, entitled *The Complete Flautist*. The course consists of four days of comprehensive flute study where participants are guided through all aspects of flute technique and have the opportunity to play their chosen repertoire in master classes with Joss and Benslow's resident accompanist. The days are interspersed with small ensemble playing, guided by Joss, and massed flute choir sessions.

Joss is a member of the flute quartet '*Festive Flutes*'. The quartet regularly perform and deliver flute choir workshops at Flute Conventions and educational establishments across the UK. They have recorded two albums and have several tracks available for download from iTunes.
