Yateley School is the largest secondary school in N.E. Hants and has a wide range of facilities across all areas of the curriculum. Yateley School has had special status in the performing arts since 2002 and has recently refurbished the main hall, making it a superb venue to host a Wonderful Winds *Flute Days!* weekend. There is plenty of free parking on the school site.

### DIRECTIONS

From M3 London or Basingstoke - Junction 4a. From the motorway, follow the signs for Yateley. Drive along the Minley Road towards A30 Yateley. At the roundabout, turn right onto the A327. Go straight across the next roundabout onto Cricket Hill Lane. After about half a mile, turn left into Handford Lane then continue onto Hall lane. Just after the pedestrian crossing lights, turn left into Firgrove Road then left into School Lane. The school is on the left hand side of the road. Park and make your way to the Main Reception area.
